The Cover

Hopewell Church near Milton, Tennessee, about 1925.

Hopewell Church was established in 1816 about one mile north of Milton. In 1840, four acres of ground were purchased on a hill at the eastern edge of Milton on the road to Porterfield and a church was built. In 1900, a new church building was constructed on this lot and is shown on the cover as it appeared about 1925. This building was demolished in 1938, and the present brick building was erected in Milton on the site of a Cumberland Presbyterian Church which had burned in 1917. The sketch of Hopewell Church is from a postcard owned by Mr. Clyde Brantley of Milton, Tennessee. The sketch was done by Mr. Jim Matheny of Murfreesboro, Tennessee. Mr. Matheny is owner and operator of an artist-sign firm on South Church Street in Murfreesboro. He is a member of the Society and a brother of Dot Matheny, the Society's efficient secretary-treasurer.

Thanks to Rutherford County Judge Ben Hall McFarlin and Mrs. Susan R. Jones for their work in the publishing of this book.

FOREWORD

The Rutherford County Historical Society was organized with the idea of writing a new general county history. Someday this project may be accomplished, but at the present time the Society does not plan to even begin working on a general history. The Publications issued twice each year contain about 100 pages each of material on various phases of our past. The Historical Society is well pleased with the way our history is being published in this manner. A general history of the county could not have many of the small everyday, humorous, and local facts that make interesting reading. Eight or ten years from now a general county history could be written using some of the material from each of our past publications.

The Publications are furnished to each Society member (those who have paid their dues), and the remainder are sold. At the present time Publications No. 1, No. 2, and No. 4 are sold out. Plans are being made to publish a 2nd edition of No. 1. We have about 40 copies of Publications No. 3 and No. 5 left, and these will be gone by the end of this year. The Historical Society published 350 copies of No. 6, and they are going rapidly.

These Publications have not appeared in any old book or antique markets and apparently are being kept by their owners. They are not published by the Rutherford County Historical Society as a profit making or collectors item. The Society wants these booklets to be low in cost and easily accessible to people inter-

ested in history. Copies of the Publications are furnished to Highland Rim, Linebaugh, Smyrna, Middle Tennessee State University, and Eagleville Library as a public service.

The Rutherford County Historical Society is an incorporated non profit group. The Society tries to present articles in each publication that are accurate and of interest to all residents of our county. It is realized that some facts of history cannot be proven, but the authors of articles in the publication are asked to use footnotes or give their sources for their material if possible. The Society has also tried to cover the entire geographical area of Rutherford County and not just Murfreesboro (which so far has had little coveage) or a few prominent early families. The Publication is not a genealogical magazine either, although every article published does contain much genealogical material. The Rutherford County Historical Society is quite proud of its Publications and plans to continue publishing them in place of writing a general history.

TENNESSEE AMERICAN REVOLUTION BICENTENNIAL PROJECT

of the

COLONEL HARDY MURFREE CHAPTER, DAUGHTERS OF THE AMERICAN REVOLUTION

The publication of the records of the Hopewell Presbyterian Church of Rutherford County, Tennessee is the major bicentennial project for 1976 of the Colonel Hardy Murfree Chapter, Daughters of the American Revolution. The records of this historic church, established in 1812, were discovered quite by accident by Laura Lou White Coffey of Lawrenceburg, Tennessee. It is apparent to the reader that this church record and others of a similar nature are invaluable to the genealogist and historian. We of Rutherford County are indeed fortunate that Mrs. Coffey realized the relevance of this material to our local research and we are deeply indebted to her for her contribution to our heritage.

Mrs. Coffey is a Cumberland Presbyterian, an active member of the Buffalo River Chapter, DAR, and of the Lawrence County Chapter, United Daughters of the Confederacy. Largely due to her efforts genealogical materials declared useless by Court authorities in Lawrence County were saved from the dump and these have subsequently been published in her column "From the Old Courthouse Attic" in the Democratic Union, Lawrenceburg Newspaper. Other materials copied by Mrs. Coffey include records of the Mt. Moriah Cumberland Presbyterian Church and Sharon Cumberland Presbyterian Church, both in Giles County, Tennessee.

The Colonel Hardy Murfree Chapter expresses gratitude to the Rutherford County Historical Society for their cooperation in the publication of the record.

THE ANNIVERSARY OF TWO CHURCHES

(Stone's River and Hopewell)

By

Moses Cranor. 1916

As we gather today to celebrate the Anniversary of Hopewell and Stone's River Presbyterian Churches, it is my purpose to make it a history of Faith and facts for the churches at these places.

Faith is a reliance on testimony that which is real truth, a desire for something good, with the evidence of trust that will be a proof of our belief. The Characters to be represented will furnish an adequate conception of the Divinely vital and exuberant doctrine of Presbyterianism. Our creed is a Christian faith briefly summed up in the two Catechisms and the Confession of Faith, not three but one, with the word of God as guide.

What is the chief end of man? It is to Glorify God and enjoy him forever. The historic faith of the Presbyterian Church as a body in latter years has been assailed with the most searching criticism by a merciless vivid and eloquent abuse, however, she stands today a monument towering over the frailties of man. These fathers and mothers, creators of the modern world, born of heroes, saints and martyrs, crown it the greatest Creed of Christendom. I will not stop here to defend its origin, history of government. One thing I will say, it has "Thus saith the Lord" for every word it has incorporated therein.

As the footprints of the red man of the forest were scarcely gone, when a steady stream of Scotch and Irish with a mixed blood of thirsty liberty loving souls, could be seen wending their way across the mountain plateaus of the east, along blood stained beaten trails that the savage

hunter trod, as he fled before civilization's massive wheels, which has transformed these fertile valleys and her circling hillsides, from nature's garb to one of lovely grandure, that seldom fails to attract the passer-by, and bring from their lips praises of delight. As we muse over the all absorbing thought of one hundred years ago, and those devout men and women who banded themselves together to serve the Lord God of their fathers, in a land which has already been won for freedom by bravery. These men were of commanding personality, of strong faith and courage, of intense energy, who exercised a wonderful influence upon the moral and spiritual life and ideals, over a large portion of the surrounding country. In their dwellings nestling along the range of hillsides to the East, running North and South; between two noted points or peaks that stand as sentinels of trust, they are known as Solomon George on the north and Pilate Knob on the South. The Bible was their inheritance. Their sanctuary was around the hearthstone, a place of more vital religion in that day than all others combined. A need that has been sorely neglected. The two points above mentioned, one north, the other twelve miles south, in sight of each other, stand as sentinels to the faith and brotherly love that existed between the two extremes.

Why were these two churches, Hopewell and Stone's River organized on the same day, April 1, 1816? At or near the two points designated, by the Rev. Jesse Alexander, a licentiate of Shiloh Presbytery. (Their place of worship in the few years that had past was near the center under no name that either of our records mention, in brotherly love and feeling no doubt the two extremes were anxious for a place of worship dividing near the center.

Hopewell, one mile east of north from her present position; two miles south of that noted peak, Solomon George, whose head was covered with a luxuriant forest looking down upon the rudely constructed log house near the old burying ground, where many of their members lie beneath the sod awaiting the

resurrection morn. Two of their number, the records tell us, were taken to the beyond in the first year of Hopewell's organization, Capt. Thomas Black, a soldier of Revolutionary fame, and his wife, Polly (Polk) Black. The blood of these two pioneers flows in the veins of over one fourth the membership of Hopewell today. Out of over two hundred of their descendants we can trace fully three fourths that were and are members of some branch of the Presbyterian church. A history that few of the churches of this Presbytery can parallel.

Hopewell was organized April 1, 1816 as above stated with members then in communion 38, six of which were elected and installed elders, namely: Ezekiel Sharp, William Rea, Zacheus Alexander, Ephram Farr, Joseph Sharp & Abner Alexander, Clerk of Session. Hopewell received as stated supply from Rev. Jesse Alexander, Licentiate, from Apr. 1, 1816 to Apr. 7, 1817. Hopewell's history I will divide into four periods.

Period 1, was one of 15 years with no very active demonstration recorded. Each year had one informal record of additions, deaths and dismissals, with only three session meetings in regular form recorded. Members added on certificate & examination, 62. Baptized adults, 10, Infants 39, benevolent causes \$54.00. Deaths 14, Dismissed 15. Suspended for heresy, 2. The report to Shiloh Presbytery for April 1831 was 40 members. In concluding this the 1st period, three new elders had been elected and installed, William McKnight (Dr. Billy) usually called, was a ruling elder from Stone River Church received into Hopewell in 1825. On July 24, 1829, he was chosed Clerk of Session. Elders John H. Baxter and David Morrison were elected and installed July 30, 1830. Of the old remaining elders, William Rea was born in Ireland Mar. 6, 1752. He professed religion at the age of 18 years, remained an elder in Hopewell 40 years, died at the age of 104 years. The other, Abner

Alexander, serving as Clerk of Session 13 years. (So far unable to find his record).

Period 2. In the beginning this Period of 28 years, from the past you can plainly see that Hopewell, with all her struggles, barely held her own. I hope that no one will feel that it is my purpose to digress in the least from the subject, for if there ever was two sister churches organized on the same day, by the same man, out of a united brotherhood, who had been working together in love and unity, it was Hopewell and Stone River. It may be safely said that nine tenths of the past one hundred years the same ministers have filled the pulpits of both churches.

A little ways up Stone's River near its banks stands that noted Peak, (Pilate Knob) already mentioned as a Sentinel of peace and unity. Until 50 years ago her head was uncovered by the ravages of war by Federal authority. Redoubts were built constructed upon her crest and a light tower on her summit that displayed a beacon of calmness and peace, or the red flashing signal of the approaching enemy.

This was a period of great religious activity. It is likely that in this decade Hopewell was removed to her present location, though the records make no mention of it anywhere. At this time the congregations felt the need of closer relations, and on Sept. 23, 1831, the two congregations met in Camp Meeting at the Contor Nursery or McKnight's Camp-ground, near the dividing line between the two congregations. The Camp-ground, was situated on a plot of two or more acres, in the center was a large shed 35 or 40 by 60 to 80 ft. On three sides of this square were rudely constructed tents, some of logs others of board and plank. Around this large auditorium were large beech trees that furnished ample shade. The seats were the time honored puncheon and a new straw floor for each general occasion. In the rear of the pulpit the full width of the structure, was a shed for the colored man and his

family, the escort of his master. The entrance was from the east, there was a main aisle with two or more cross aisles forming side entrances. There were meetings once or twice a year which were looked forward to with faith and supplication for the outpouring of the Holy Spirit, upon them and their efforts. Hundreds upon hundreds attended these meetings. Order was the prevailing characteristic. It seemed that the power of God and his presence was felt and recognized by all. As many as fifteen visiting Presbyterian ministers are recorded as attending during a meeting; two to four and 5 at a time. I will name a few of them-Murfreesboro's greatly beloved, Dr. Wm. Eagleton, Rev. M. Marshall, Amzi Bradshaw, William Porter, E. T. Brantley and Dr. A. H. Dashiell, that noted ministerial orator, of persuasive language and convincing power. It was no wonder that men thronged these meetings, coming two and two and others alone, some walking others in deep meditation, wending their way to the near by grove, as the sun was sinking behind the western hills while twilight came, later the world wrapped in nature's night. The burdened cry from many a soul could be audibly heard as it was wafted on the stillness of the breeze, that some poor perishing souls that night might find Jesus precious to their souls. The records mention 10, 25, 50, and 75 being gathered into the garner of the Lord; and Hopewell, Stone River, Cripple Creek and Murfreesboro were edified and built up in the most holy faith. I find that in the 18 meetings recorded 535 persons made pro. of religion.

On Nov. 10, 1832, Elder David Morrison (after serving 2 yrs.) and family were dismissed, moving out of Church bounds, May 31, 1840., Elder William McKnight departed this life. He served as Clerk of Session 11 years. Apr. 12, 1841 Bro. Williamson Cosby was chosen Clerk of Session. Oct. 25, 1842 he was dismissed at his own request in good standing, serving 1 year as clerk. Oct. 25, 1842 Bro. David McKnight was elected clerk of Session, serving 8 yrs. Apr. 1, 1849, Bros. Dennis Hogwood & William R. Alexander were elected and

ordained elders in Hopewell. Oct. 9th of the same year, 1849, Elder William R. Alexander departed this life. He was a son of the beloved Pastor., who was near three score and ten years. Apr. 14, 1850, Elder Dennis Hogwood was chosen Clerk of Session.

July 20, 1854, \$235.35 was collected from Hopewell and Stone River Churches to pay for the Presbyterian church at Nashville, Tenn.

During this period Hopewell had 190 additions, 26 deaths, 95 dismissed, 143 Baptisms. Church expenses \$905.00, Benevolent causes \$604.00, totaling \$1509.00.

April 9, 1859 the report to Shiloh Presbytery was, Rev. Jesse Alexander pastor, John H. Bastor and Dennis Hogwood elders, 111 members.

Period 3. The period from Apr. 9, 1859 for seven years, was one of the greatest declines in all of Hopewell's history. First, at the beginning she was an independent Church, with no ecclesiastical connection anywhere. The few years preceding this there was considerable agitation in the higher church courts over two or more much debated questions which I can explain more fully by giving a copy of a Church meeting held in Hopewell May 5, 1859.

Congregational meeting

Hopewell's members were called together by order of Session on the 5th day of May 1859 for the purpose of choosing their ecclesiastical connection. The meeting was constituted by calling Rev. Jesse Alexander to the chair, and L. B. Creson, clerk. Rev. Jesse Alexander opened the meeting with prayer, he also explained the object of the meeting. A committee of three, to wit, John H. Baxter, D. Hogwood and George Peoples, was appointed to draft and present suitable resolutions which were severally considered and adopted.

Whereas the Presbyterian Church of the United States of America, divided in the year 1838 on the subject of the Excinding Acts of 1837, and formed two Assemblies known by New and Old School, and whereas a number of the

Presbyterians belonging to the New School Assembly being aggrieved with the continued agitation of the subject of slavery in this body, withdrew from said assembly in 1857 convened at Cleveland, Ohio and formed a Synod at Knoxville, Tenn. in 1858, known by the name of the United Synod of the Presbyterian Church in the United States of America.

And whereas Shiloh Presbytery to which we belonged was not one of the number that withdrew, but dissolved by a vote of her own body on the 9th day of April 1859; we being thereby destitute of any ecclesiastical connection whatever, "Therefore resolved, first that it is expedient that we form a connection with some ecclesiastical body."

"Resolved secondly, that we approve of the resolution of the United Synod in excluding the agitation of slavery from its judiciary."

"Resolved thirdly, that we also approve of its explanation and mode of adopting the confession of faith, as embracing the doctrines contained in the Bible."

Resolved fourthly, that we in uniting with said Synod, make no sacrifice of principal or doctrine."

"Resolved fifthly, that we the undersigned members of Hopewell Church, unite with said Synod through some one of her Presbyteries as soon as possible."

Fifty eight of the One hundred and eleven members of last report signed the above preamble and resolutions. To this report two were added and 5 dismissed.

Oct. 6, 1860, Elder D. Hogwood reported to North Alabama Presbytery, two elders and 55 members uniting with said Presbytery. Following all this came the War Between the States.

On the 15th day of June 1863, Rev. Jesse Alexander, Hopewell's Pastor, departed this life and was laid to rest in the city of the dead among his bretheren and friends, awaiting the final summons. His age was 82 years and

5 months. Two elders, John H. Baxter and Dennis Hogwood were left with the burdens of Hopewell to bear. God in his mercy seeing Hopewell's few upon their knees sent visiting ministers to their relief. Such men as the Revs. A. Bradshaw, M. Marshall, E. T. Brantley, Henry C. Smith and others; Rev. H. C. Smith serving near 2 years.

Sept. 25, 1865, a call for a congregational meeting, for the purpose of electing elders. Oct. 7, 1865, H. A. Baxter was ordained elder by the Rev. Henry C. Smith.

Nearing the closing scenes of this the third Period, a peace and harmony were being promulgated throughout our beloved land. Hopewell looking back upon her records find only three reports to Presbytery, with 21 additions, 7 dismissed, 1 expelled and 15 deaths, with 19 baptisms. For church expenses \$155.00, for benevolent causes \$74.00, with 10 regular sessional meetings recorded in the 7 years period.

A report to North Alabama Presbytery, April 9, 1867, with 3 elders, 54 members, closed the first 50 years of Hopewell's organization.

Period 4. In the beginning this the 4th or last period including a space of fifty years of Hopewell's history, it is my purpose to deal with facts and figures concerning the active forces of this organization, concluding with a brief summary of the two Churches, with a few sketches from life.

Sept. 16, 1867, Rev. M. A. McFeaters was called as stated supply for Hopewell and Stone River. For over three years he served these people. He was a man of deep consecration and earnest piety, decisive in his denunciation of evil and wrong doing. It was on Oct. 4, 1867 that he with Rev. W. L. Rosser began a seven days meeting in Hopewell, which resulted in 14 professions, and the church members greatly refreshed. Mar. 7, 1871, Rev. Robert Caldwell was chosed as **supply**. He was a man of strong character, showing distinctive qualities and traits for good. Apr. 22, 1872 the records state

that Xanthius A. Baxter was chosed delegate to Nashville Presbytery, the first date of said Presbytery mentioned in our record. The Rev. Robert Caldwell being called elsewhere, served Hopewell only one year.

May 18, 1872, Rev. W. L. Rosser was called to this field as supply. He was one who in other days had stood upon the tented field pouring forth words of comfort and consolation with warning against sin, and a judgement to come, to his comrades in arms. For nine years he held the banner of Prince Emmanuel aloft in Hopewell's rank. In this decade her prosperity was above normal. Nov. 5, 1847 three elders were elected. Bros. J. C. Herndon, H. G. Johns and Jas. M. Weatherly were ordained and three Deacons, the first that Hopewell ever recorded. Bros. Robert F. Baxter, Jas. N. McKnight and Wm. B. White were duly elected and installed Deacons.

Apr. 1, 1875, the first Elders and Deacons' meeting was organized in Hopewell. Dec. 19, 1875, elder Jas. M. Weatherly was relieved from the active duties of the eldership. Aug. 21, 1876, Ruling Elder X. A. Baxter, departed this life after serving 11 years, calmly trusting in Jesus, with suitable resolutions recorded in Book 3, page 139. Oct. 25, 1880, ruling elder John H. Baxter, a Father in Israel for more than 57 years, departed this life. On May 28th, 1881 Bro. G. W. Lorange was duly elected and ordained a ruling elder in Hopewell, which was a period of religious activity both in numbers and in the spirit of giving, exceeding all past records. Rev. W. L. Rosser was called to another field of labor.

Dec. 31, 1881, the Rev. Geo. E. Thompson a young man fresh from the S.W.P. University and Union Theological Seminary, Hampton Sidney, Va., was called as supply. But the minutes of Sept. 2, 1882 recorded that Hopewell call the Rev. G. E. Thompson to become her pastor, to serve this church one half his time, at a salary of \$225.00 per year. On Sept. 14, 1882, Nashville Presbytery, convened in Hopewell, a meeting long to be remembered by many,

for Rev. G. E. Thompson was ordained pastor of Hopewell. And on the 15th one of the flowers of Hopewell's young manhood was received under the care of Presbytery as a candidate for the Gospel ministry, Rev. John R. Herndon, a man who has proven himself worthy the calling accepted.

June 3, 1883, Elder Dennis Hogwood resigned as Clerk of Session, serving 33 years. Elder H. G. Johns was chosen as Clerk of Session July 5, 1885. Bros. H. B. Hogwood and S. P. Brantley were elected elders and Wm. Hooper, as deacon, being installed by Rev. G. E. Thompson to their several officers. Aug. 6, 1885, Deacon Robt. F. Baxter departed this life, serving over ten years.

On May 16, 1886, Bros. W. W. Rion and W. H. Herndon, were elected and installed as Deacons. Mar. 3rd 1888 the two above Deacons named tendered their resignation leaving temporarily the bounds of this church, May 4, 1889 the Rev. G. E. Thompson resigned as Pastor of Hopewell serving $7\frac{1}{2}$ yr. Several months passed before another Pastor was secured. This was a Season of unpleasantness for it is with deep regret, and a feeling of reverance to record the first and only Stigma that rests upon Hopewells fair name, by referring you to the records of July 7th 1889, for in this meeting the Eldership divided upon the question at issue. And in the controversy later on, one member of the session was called before a commission to answer charges, who was Exhonerated by them, and two others Apr. 5, 1890 resigned from the active duties of the Eldership. I will only refer you to the record Book No. 4 Page 121 & Oct. 6, 1889 Rev. J. W. Mosely, was called as stated supply, Serving near two year then He was called to another field of labor Apr. 4, 1891--Hopewell remained without a leader and preaching for one year, for it was on Apr. 3, 1892 that the Rev. A. J. Crane a Licentiate of Knoxville Presbytery canvassed the field and on Apr. 10, 1892 He Rev. A. J. Crane was by a Congratational meeting unanimously called Pastor of Hopewell. On Feb. 15,

1893 Deacon Wm B. White departed this life, Serving Nineteen years, March 24, 1893. Elder H. G. Johns resigned as clerk of Session, having served ten years. Elder J. C. Herndon was Elected in his Stead Aug. 31st., 1893 Elder H. G. Johns. At his own request was dismissed to unite with the Edgefield Presbyterian Church Nashville, Tenn., Serving Hopewell Nineteen yrs. Apr. 5th, 1896 Bros. Andrew McKnight and Jesse Alexander were duly Elected and Installed Deacons Dec. 3rd, 1899 Bros. Wm. D. Black and Andrew McKnight previously Elected were Installed and Ordained with S. P. Brantley, who was reinstalled and Ordained as ruling Elders, in Hopewell. It was on Feb. 4, 1900 Bros. Wilson Dement and Wm. D. Brantley were duly Elected and installed as Deacons. Feb. 10, 1902 Deacon Wm. Hooper was dismissed at his own request to the first Presbyterian church Murfreesboro, Tenn. Serving Sixteen yrs.

By an order of Session a congregational meeting for July 6, 1902 was called to accept the resignation of Rev. A.J. Crane one who had served Hopewell for ten years was accepted with Suitable resolution recorded in Book 4 Page 178 July 11th, 1902 Elder S. P. Brantley departed this life, Serving as Elder Seventeen years. It was on April 6th, 1903 Rev. T. A. Patton was called as stated supply serving Hopewell in that capacity for five yrs. Aug. 30, 1903 Elder J. C. Herndon resigned as clerk of Session, having served ten yr. Moses Cranor was chosen Clerk of session on the above date-Oct. 5, 1903 Deacon Jesse Alexander was dismissed by a letter at his own request, having served seven years No. 1st, 1903 Elder J. C. Herndon at his own request was granted a letter to unite with the 1st Presbyterian church of Murfreesboro, Tenn. having served as Elder twenty nine years On July 4, 1904, Elder Geo. W. Lorance departed this life serving Hopewell twenty three years. It was on Aug. 3, 1905 that Elder Dennis Hogwood a father of Israel in Hopewell ranks departed to the beyond in the triumph of Faith having served Hopewell as Elder over fifty six years. On May 2nd, 1907 Deacon Jas. N. McKnight departed this life

Serving Hopewell as Deacon thirty three years Presbyterian church Serving Hopewell 8 yr. Nov. 1907 Elder A. M. McKnight united with Wartace Dec. 29, 1907 Bros. Wm. D. Brantley and Wilson Dement were Elected and ordained Elders and Elden Young was elected and installed Deacon by Rev. T. A. Patton who before closing the Service called for a dissolution of his labors with this church to answer a call to the Monroe Harding Orphanage which was unanimously granted with reluctance. It was during the intermission between Rev. T. A. Pattons two Services that Bro. A. A. DuBois a Baptist Minister, who had united with the first Presbyterian church Nashville, Tenn. was sent to this field with the recommendation of his Pastor Dr. Wm. Anderson who acted as supply until Sept. 1908 when He Entered the S.W.P. University under the care of Nashville Presbytery as a candidate for the Gospel Ministry Nov. 1st 1908 The Second Call for the Rev. T. A. Patton was made for him as Pastor-Feb. 7, 1909 Bros. Neil White and Chrle. E. Furgason were duly Elected and installed as Deacons by the Rev. T. A. Patton Dec. 26, 1909 Rev. T. A. Patton having Served Hopewell one year as Pastor called a congregational Meeting for the purpose of dissolving the Pastoral relation between himself, and Hopewell, asking Nashville Presbytery to grant the request which was done.

The year 1910 was one that ought to be long remembered by Hopewell members, from the fact of having no direct service, only through the Kindness of the Rev. L. A. Street, Pastor of the U.S.A. Church while Serving his own people in Hopewell, which had been tendered them to use although the officers of Hopewell had five Sessional meetings, and all reports made to Presbytery the delegates failed to attend Said Presbytery that met at Clarksville, Tenn. Apr. 26, 1911. The above report included 40 members in Hopewell.

This was the condition found Existing Mar. 5, 1911 when a congregational meeting was called for the purpose of calling the Rev. R. Q. Riley as Pastor, of Hopewell who accepted the call.

It was Oct. 15, 1812 that the two congregations U. S. and the U.S.A. were united by the action of both their Presbyteries, and confirmed by Dr. W. L. Caldwell chairman of the Home Mission committee of the Nashville Presbytery Twenty members were added to Hopewell's list Embracing three Elders, G. W. Oakley, R. H. Summar, and Wm A. Baxter together with two Deacons, Jas. A. Baxter & Hop Smith Increasing Hopewell official forces to six Elder, and five deacons On Mar. 2nd 1913 Deacon Neil White at his own request was granted a letter to unite with the 1st. A Sketch from life

Rev. Jesse Alexander Born Jan. 15, 1781 moved to Tennessee Oct. 1802 Entered the Grammar School May 1st, 1806 was Licensed to Preach the Gospel Sept. 2nd, 1814 was Ordained Pastor of the churches of Stone River and Hopewell Apr. 7th 1817 was married to Eliza Rea, Aug. 8, 1820. To this union ten children were born, Seven of whom lived to maturity two are living, one a member of Hopewell, the other of Spring Creek Presbyterian church. The object of this Sketch was rather tall but slender and Straight as an arrow. His countenance was solid, genial, and gentle. His bearing was dignified with a tendency to influence others for good. Living as he did on the borders of three counties. He was Extensively Known as he went from place to place, bearing the messages of love and peace. In all his relations with the world, he was the accomplished gentleman. in his personal life he was above all things the humble and devoted christian in Home affairs, he was a man of Energy and

force, as he went from his Study to the farm and his work Shop that furnished him ample support with a bearing of dignity yet genial with affectionate feeling the very Soul of Hospitality. A home of relief, for the friend the weary, and the desolate. In his Pastorate, he was lovingly tender and gracious. For forty seven yrs. he went in and out before this people winning their love, and commanding their respect yea a veneration, of all classes in the community from the highest to the humblest, in his latter years when he became totally blind, it did not detain him, from duty to his appointments, or prevent him from Service to his Lord and Master, at time without an escort relying upon Faith in God, and confidence he had in the animal he always rode to carry him to his appointments in safety.

An Elder in Hopewell for 50 years

In this Narative or Sketch of Elder John H. Baxter Born in North Carolina 1804 One whose Portrait with others, Should adorn these Sacred walls with a delimation of their lives, as Memorials to Hopewell, He left the parental roof a beardless boy coming with friends to Tennessee, about the year 1815 preceeding his parents. Some months David and Sarah Baxter with one Sister who were in the original organization permit me Say this Sister Rebecca Baxter was a consistent Christian member in Hopewell for Seventy one years. In 1823 John H. Baxter united with Hopewell. In 1826 he married Betsy Black, to this union Seven children were Born, that lived to Maturity two of these were office bearers in Hopewell, as already mentioned. He, like most boys of his day, received a very limited Education but when he came to manhood, he was a man of almost unlimited powers of ability, an Earnest student of his Bible, the greatest text book that ever lay upon any ones desk quick Energetic, and witty Ever ready with an answer upon his tongue an amateur of Music who could sing like the nightingale, with a voice tuned to mellodious praise both sweet and Heavenly. Ever a pet of the children in their childish games, always one

with We boys and girls taking part in Especially blind mans bluff we listening to his retorts winning our confidence. Many were the times when the Minister had made every appeal at his command with no move or Even a tear. When John H. Baxter arose from his Seat clearing his throat, with a quivering voice repeating Some verse or Something that had been said, when it seemed that the very Sound of his voice appealed to every one in his presence with Sorrowing hearts, and weeping Eyes such was the character of the man that his words were received as coming from the heart to reach the heart.

A Clerk of Session 33 years

In these written Statements of facts addressed to Hopewell, may they ever stand as mementoes to the unfaltering love, and devotion, that Elder D. Hogwood Ever Exhibited in fulfilling two offices of trust to God and his church. He was born Oct. 19th, 1813; Departing this life Aug. 3rd, 1905. He was a man of heavy frame rather Short of Stature, his hair and complexion were dark, a Tanner by trade yet farming was a chief occupation, and a well ordered home was his delight. The stranger was welcomed at his door , if they showed manhood just the same as a friend the destitute forsaken and homeless, were treated treated with respect, and seldom, if ever, left without a remembrance regardless of color. If you were met by him upon the highway, it was with an open greeting and the same in parting. In his official church relations he was tender, brotherly, and dignified, both conscientious and courteous, a favorite with the young people. But his appeal to the wayward and erring in the ranks were dreaded and feared, though reverenced. He made his mistakes as all do, but in the wind up was proven of the head and not of the heart. One of his marked characteristics was the reconciliation of parties at variance anywhere and under all circumstances. Elder D. Hogwood served Hopewell longer than any of his predecessors, an Elder over fifty six years and clerk of the Session thirty three years faithfully Earnestly and devotedly and at his death

leaving a legacy, if it is judiciously handled with a memorial to his name as it goes on down through time, while nothing but the interest can be used and that for a Pastor's Salary.

One of Hopewells laity 47 years

Concluding with a Short Sketch of one of Hopewells members Bro. Geo. Peoples. He served as a soldier under Jackson at the Battle of New Orleans against the British in 1812. He was a man of brawny make, Strong and robust in his younger days, and was noted as a brawler of a refractory disposition, But when he wought mercy & pardon at the foot of the cross there was a changed man, as his afterlife has proven, uniting with Hopewell Aug. 14, 1832 and Departing this life Apr. 21st., 1879. To show more fully the character of the man, he at one time called upon the writer to grant him a favor which was accepted on the spur of the moment, But in a second said to him don't do it, it may bring ruin upon you and our friends. His head dropped upon his breast with downcast eyes, every muscle being Extended was relaxed in a minute he raised his head with a brighter countenance and a Smile upon his lips said if you say, I won't. He was always a liberal giver for church purposes. The records show that he gave at one time fifty dollars for benevolent causes. He was often called on for consultation and committee work, ever Eager and willing to help in any work or cause to advance the church in his blessed Mission. In his latter days he made a gift to Hopewell of several hundred dollars worth of property put in the hands of a board of Trustees. Elected by the church the proceeds of which ten dollars go to a Pastor's Salary, the remainder to benevolent causes and church Expenses. There could be much more said of each one of these characters, but feel that this is ample as we celebrate this day with appropriate ceremonies may we call to remembrance these lives with solemnity as we dedicate this memorial of written facts addressed to Hopewell.

HOPEWELL PRESBYTERIAN CHURCH RECORDS 1832-1883

RUTHERFORD COUNTY, TENNESSEE

by LAURA LOU WHITE COFFEY

Visiting a dear friend one cold winter day was a most fortunate occasion. Although very ill, my friend was cognizant of my interest in history, reading my column in the Democrat-Union each week called "From the Old Courthouse Attic" which contained all the accumulation of ancient papers since the old courthouse was built.

This unnamed friend asked if I would like to see some old church books that had been handed down in his family for several generations. Of course I was interested, and upon examination I found what you are about to read. Taking the books home, I became more and more excited and I just had to get the information down on paper somehow. Asking permission in the name of the National Society Daughters of the American Revolution to copy the book for the Genealogical Research Department of the National Library, I was granted permission if I promised to not divulge the source of my findings, to both protect the family and to keep them from being constantly bothered with inquiries, not because of disinterest, but because of his illness. I agreed, I started copying, and within a month he was dead. The family wanted me to complete the work I started and I did, still keeping my promise. The material was sent into Washington and credit was given Buffalo River Chapter DAR for the year 1975-1976 as un-published material.

I thank God for letting me be at the right place at the right time so that these beautiful records were made available to all who are interested. It is my desire that you the reader receive the same blessing from reading these pages that I have received in

"The Records of Hopewell Church Vol. 3 Commencing the 5th day, May, 1859"

Hopewell Church was called together by the order of Session on the 5th day of May 1859, for the purpose of choosing their Ecclesiastical connection, constituted by calling Rev. J. Alexander, the object of the meeting was explained by the Moderator, and a committee of three, to wit, J. H. Baxter, D. Hogwood, and Geo. Peoples was appointed to draft and present resolutions. Said committee presented the following preamble and resolutions, which were severally considered and adopted.

"Whereas the Presbyterian of Church of the United States of America divided in the year 1838 on the subject of the excinding acts of 1837, and formed two assemblies known by new and old school, and whereas a number of the Presbyteries belonging to the new school Assembly, being aggrieved with the continued agitation of the subject of Slavery, in their body, withdrew from said assembly in 1857 convened at Cleveland, Ohio, and formed a Synot at Knoxville, Tennessee in 1858, known by the name of The United Synod of the Presbyterian Church in the United States of America.

And Whereas, Shiloh Presbytery to which we belonged was not one of the number that withdrew, but dissolved by a vote of her own body on the 9th day of April 1859. We being thereby destitute of any ecclesiastical connection whatever. Therefore Resolved, First, That it is expedient that we form a connection with some ecclesiastical body.

Resolved That we approve of the resolution of the United Synod in excluding the agitation of Slavery from its Judicatory.

Resolved Thirdly, That we also approve of its explanation, and mode of adopting the confession of faith as embracing the doctrines contained in the Bible.

Resolved Fourthly, That we in uniting with said Synod make no sacrifice of principle or doctrine.

Resolved Fifthly, That we the undersigned members of Hopewell Church unite with said Synod through some one of its Presbyteries as soon as practicable. Rev. Jessee Alexander, J. H. Baxter, D. The Committee appointed to examine the session records of Hopewell Church would state that in their opinion nothing should be recorded but the acts of the session. These records contain statistical reports-accounts of baptisms and deaths- which ought not to be in the book. They also notice that in the minutes of sessional meeting no names are mentioned of Elders present-- and most of the meetings seem to have been held without being constituted with prayer. The book should also be paged with the criticisms which your Com. think just. We recommend the approval of the record to this date.

HISTORY OF STONES RIVER PRESBYTERIAN CHURCH
1816-1973

by Ester Couch

The Stones River Presbyterian Church, U.S., located in the 17th District, Rutherford County, Tennessee, near the east branch of Stones River, was organized April 1, 1816, by the Rev. Jesse Eagleston Alexander. It was the out-growth of a camp meeting previously held about three miles from the present church on the road to Milton. After meeting for some years in a small log building on the opposite side of the road from the present church, Jacob Wright, whose wife, Becky, was a member of the Stones River Church, gave the land on which Stones River and Antioch Churches are built; Antioch is a Church of Christ, of which Mr. Wright was a member. The deed was recorded in 1848.

A big log building with twelve corners was built just east of the present church. This building was replaced by a frame building on the same ground in 1878, and the log building was torn away. An addition of Sunday School rooms was added about 1954 or 1955.

This building is in good state of repair. Worship services are held each Sunday, and other activities, as the program of the church directs.

The following were charter members of the church:

James, Eleanor, William and Isabell McKnight
Joseph and Jane Knox
Charles and Polly Ready
Joseph and Jane Weatherspoon
Charles and Jane Porterfield
Polly Weatherspoon
Peggy, David and Polly Andrews
John and Sarah Henderson
John, Peggy, Moses, and Rixney McKnight
John M., Peggy, and Abigal McKnight

Some of the ministers who have served as pastors:

Rev. Jesse Eagleton Alexander, E. T. Brantley and
his son, Erskine
Rev. Thompson
Rev. Mosley
Rev. A. J. Crane, 1901-1902
Rev. T. A. Patton, 1903-1907
Rev. T. R. Riley
Rev. W. W. Patton
Rev. Mr. Johnson
Rev. W. H. Matherson
Rev. William Janes
Rev. Wythe M. Peyton, Jr., (present pastor)

Four men from this church were ordained ministers:

Erskine Brantley, Walter Creson, Charlie Ralston, and Henry Sneed. They helped to carry the Work of God to other parts of Tennessee and to other states.

It might be interesting to note that Frank and Silva Brantley, descendants of Brantley slaves, attended preaching services regularly until their deaths in early 1900's.

HISTORY

CRIPPLE CREEK PRESBYTERIAN CHURCH

1940

by Miss Pearl Youree

The records of the Cripple Creek Presbyterian Church were destroyed by fire in the year 1927, a regrettable and irreparable loss, but from deeds and records of our sister churches, Stones River and Hopewell, we have secured a partial outline of the history of our beloved church.

The Church was organized either in 1820 or 1821 with the following charter members who were dismissed from the Stone River Church:

James Bowle	Thomas Berry
Margaret Bowle	Sarah Berry
Mary Bowle	Francis Youree
Nancy Bowle	Elizabeth Youree
Nancy Neely	

Of these James Bowle and Thomas Berry were ruling elders.

It is not known positively where these first worshipped, but it is known that a site of worship, very probably a log school house, about one-half mile from the present building, was used very soon after organization.

A church building was erected some time before 1830 a few hundred yards across the creek from and directly in front of the present building. The land upon which this first building had already been erected was given by Richard Standridge, the deed being written September 14, 1830, but not recorded until 1839. The elders who received the deed were Francis Youree and John Neely.

The name of the church changed about this time to

Standridge Church (generally mispronounced as Standard's) whether from gradual usage of the donor's name or from deliberate choice is not known, but supposedly the former. The name was changed back to Cripple Creek about the first of this century during the pastorate of the Rev. T. A. Patton.

We have no record of the disposition of either building or land, but we do have in our possession a deed for two and one-half acres, dated Feb. 24, 1869, granted by William Patrick, Benjamin Becton and wife, and Mary Becton to the elders of the Cripple Creek Presbyterian Church, on the west bank of Cripple Creek for the consideration of fifteen dollars (\$15.00). In that year, 1869, or very soon after, the present structure, a one room wooden building 60 feet long, 40 feet wide, and 25 feet high was erected. Several improvements including a belfry, pews, concrete steps, and other small items have been added from time to time.

This church having branched from the Stones River Church it has kept rather closely associated with this church throughout the years. We find various accounts of some famous camp meetings being held on McKnights Camp Ground, a plot of two or more acres, well shaded with hugh beech trees. There these meetings were held once or twice a year with a record of 535 conversions in 18 meetings, these uniting with the Hopewell, Stones River, and Cripple Creek Churches, thus greatly strengthening these churches in numbers and faith. That was a time of much manifest interest, sometimes as many as fifteen visiting ministers attending during one meeting.

The first pastor of our church was Jesse Alexander, who served the Murfreesboro Church; "Mr. Alexander was born January

15, 1781, in North Carolina, immigrating to Tennessee in October, 1802 and settling near Milton, in Rutherford County. He was licensed to preach September 2, 1814 by Shiloh Presbytery and was ordained pastor of Stones River and Hopewell Churches April 7, 1817. He also served the Cripple Creek Church. Mr. Alexander's labors continued over a period of the churches mentioned. He lost his eyesight and for many years the blind preacher was a familiar sight with his saddle-bags and Bible as he rode on Sundays to fill his appointments, and his faithful horse was his only guide. The horse knew where to carry his master and never failed to keep the right appointment. He also know where the most cordial welcome awaited them and would draw up and stop at the gates of the members who loved to entertain the preacher."

In the unpublished record of the Hopewell Church we find that this godly man departed this life June 15, 1863 still in the service of these Churches.

We also find from the above mentioned records that four years prior to Mr. Alexander's death the Stones River and Hopewell Churches had belonged to Shiloh Presbytery which did not withdraw from the General Assembly of the United States of America in common with most other Southern Presbyteries, but dissolved by a vote of its own body in April, 1859. These churches then attached themselves to North Alabama Presbytery sometime before 1872, that being the first date this presbytery is mentioned in the record.

When our church was left without a pastor because of Mr. Alexander's death, several visiting ministers came to her relief over a period of four years, one of which, the Rev.

H. C. Smith served almost two years. The others mentioned at this time were the Reverends Matt Marshall, A. Bradshaw, and E. T. Brantley. We were unable to secure any date on the lives of these men.

In the fall of 1867 the Rev. M. A. McFeaters, a man of consecration and piety and very quick in his denunciation of any evil, was called as stated supply, serving more than three years.

The Rev. Robert Caldwell, a man of mighty qualities for good, was chosed as the next shepherd of this small flock. However, duties called him elsewhere and he remained with our church but one year, beginning March 7, 1871.

Rev. W. L. Rosser, whose worth was already known and attested by results in previous series of meetings on the camp ground and in the church group, began a nine year ministry in this group in May, 1872. This period was characterized by much religious activity and in an increase in the prosperity of the church.

He was the father of Miss Ray Rosser who for several years has been the beloved teacher of Bible at Monroe Harding Home.

In December, 1881 Rev. George E. Thompson was called as stated supply but was ordained in September, 1882. This young man came to us shortly after graduation from Southwestern Presbyterian University at Clarksville and Union Theological Seminary at Hampden-Sidney, Virginia.

The records of Hopewell state that this young man was employed to give that church one-half his time at a salary of \$225. We suppose that he divided the other half between Cripple Creek and Stones River. He labored in this field for a period

of seven and one-half years.

After being without a pastor from May, 1889 until October, 1889, the Rev. J. W. Mosely served almost two years as stated supply.

The group was then without a pastor for almost a year. In April, 1892 Rev. A. J. Crane, a licenciate of Knoxville Presbytery canvassed the field and was called for a pastorate of ten years.

The Rev. T. A. Patton came to this field as stated supply, remaining five years. The following is taken from an obituary published in the Christian Observer and written by Rev. A. S. Allen: "Rev. T. A. Patton was born September, 23, 1867, and died September 10, 1924. At the age of sixteen he joined the Mt. Vernon Presbyterian Church in Wilson County, Tennessee. Here he grew to young manhood, and at the age of twenty-six married Miss Sallie Louisa Turney. To this union were born twelve children, ten sons and two daughters. One of the girls died in infancy.

After he was married and several children had come into the family he felt a strong call from God to preach the gospel of Christ. And at a great sacrifice and inconvenience to himself and family, he with his family moved to Clarksville, Tennessee, to prepare for his life work. Here he took both literary and theological courses in Southwestern Presbyterian University.

He began his ministry in Asheville Presbytery, N.C, In Sept. of 1901. His field of labor was Bryson City and Dillsboro. In March, 1903, he was called to the Milton group in the Presbytery of Nashville. This group was composed of Milton, Stones

River, and Cripple Creek. He served the Milton group until 1908; when he was called to take charge of the Monroe Harding Children's Home, Nashville, Tenn. After one year's service at this institution he was called back to the Milton group.....

In October, 1923, he was called to take charge of the Watertown group of churches in the Presbytery of Nashville. This group is composed of Buffalo Valley, Mt. Olivet, Mt. Vernon, and Spring Creek. He was now back in the field of his childhood and a young manhood, a happy man. His health soon gave way to a ravaging disease and he rapidly declined to the day of his death, September 10, 1924."

It was during his pastorate that our belfry was built and the bell for the belfry was bought and installed. The money for these improvements was secured through the efforts of Mr. Patton who bought pigs and gave them out to the boys and girls of the church who fed and sold them and gave the proceeds to the church.

There has never been a more highly esteemed or better beloved pastor on this field than this Godly man.

During the year of Mr. Patton's service at Monroe Harding Home, our group was served a few months by Rev. A. A. Dubois, a Baptist minister, who had united with the First Presbyterian Church of Nashville, and came to this field on the recommendation of his pastor, Dr. William Anderson. In September, 1908, he left us to enter Southwestern University under the care of Presbytery as a candidate for the ministry.

The Rev. R. Q. Riley became our pastor in March, 1911, remaining until 1919. This good man was very faithful in carrying out his pastoral duties. His old horse, John, and the buggy

with the back curtain rolled up in summer, or with a storm apron tightly fastened on in winter, became a familiar and beloved sight moving about the countryside. He was the power behind the throne when our pews were remodeled, a carpet bought, and the church painted on the outside.

Mr. Riley was born January 24, 1865 in Kosciusko, Mississippi. He received his education in French Camp Academy and Southwestern, graduating from the latter in June, 1894, leaving there to begin his first pastorate the first Sunday in July. He served his church in five states over a period of forty-five years. He is now retired and living in Memphis.

In 1920 Rev. J. G. Johnson began an eighteen month pastorate of this group, which now included Woodbury. He made his home there as all the succeeding pastors have done. Mr. Johnson, the eldest of seven children, was born in Choctaw County, Alabama, September 8, 1868, but moved with his parents in infancy to West Station, Mississippi, where he spent his early years attending the free schools and helping with the expenses of the large family. At the age of twenty-six he left home to begin three years preparatory work in French Camp, Mississippi. He was then in Southwestern four years. He has been preaching since 1902 when he began his work in Dickson and Waverly. He is now pastor of the Madison Church. On December 20, 1905 he married Miss Isabelle Hopkins Boyd of Covington. To this union two sons were born.

We were without a pastor for some months after Mr. Johnson left. He was succeeded by the Rev. W. W. Patton who was here four years 1923-1927. As have been so many of our pastors, he was a graduate of Southwestern. It was during his ministry

that concrete steps were erected at the front entrance. Mr. Pattons wife was Miss Laura Neil, who with three children survive him, since his death in 1936 at Watertown, his childhood home.

After Mr. Patton left us to go to Alabana, he was followed by Claude C. Williams, a young man who had come into the U.S. Church, from the U.S.A. Church. He served as stated supply for some months during 1928-1929, never being received into the Nashville Presbytery.

Our present pastor, the Rev. W. H. Matheson began his work in our midst in October of 1929. He is a man of integrity, very kind and gentle. In his sermons he presents God's word in its truth and simplicity. He is held in the highest esteem by every denomination.

Mr. Matheson is a native of North Carolina. His education was received at Davidson College and at Union Theological Seminary in Richmond, Virginia.

He was licensed to preach May 20, 1927 by Concord Presbytery and ordained June 19, 1927 in Mecklenburg Presbytery. His first pastorate of two years was Thomasboro, North Carolina.

In 1927 he was married to Miss Laura Barclay, the daughter of a Presbyterian minister. Mrs. Matheson has been very active in church work, being Presbyterial Secretary of Young Peoples Work in 1928 in Mecklenburg Presbytery. She taught vacation church schools in the synod for two years after moving here.

Mr. and Mrs. Matheson have one child, Alice Barclay, born in November, 1937.

Our grouping has been changed this year, 1939, because of distances. Our group now consists of Stones River, Cripple Creek, Woodbury, Rock Island, and a new church, Amity, which

was organized through the efforts of Mr. Matheson and Mrs. M. B. McCrary, a member of the Woodbury Church.

The Departments of Our Church

The Sunday School

The Church School should ever be a very important department of any church and has been so in our church. Cripple Creek has always supported an evergreen Sunday School even though its membership has ranged from twenty-five to now more than sixty. J. D. Youree served as superintendent for many years. How well I remember, although a small child, his oft repeated prayer, "Hasten the time when the knowledge of the Lord shall cover the earth as the waters cover the sea."

The Godly man was succeeded by W. M. Vaught a Baptist in our midst who was kind enough to help out when leadership was needed and none seemed to be forthcoming from the Presbyterians.

J. L. Burks, Bryan Lyon, a young man who died in service, Searcy Coffy, Tennyson Youree, and Craig Youree have served as superintendents during the years since 1920.

The Auxiliary

The women organized some time before 1912 as the Ladies' Aid. Miss Pearl Youree was president when the name Ladies' Aid was changed to the Auxiliary. They later disbanded but have been reorganized twice since, the last time in 1936.

The officers at this time were: President, Mrs. W. H. Matheson; Secretary, Miss Mae Caffy; and Treasurer, Mrs. Tom B. Youree.

The present executive board consists of the following: President, Miss Pearl Youree; Vice-president, Miss Mae Caffy;

Secretary, Miss Maggie Sue Youree; Treasurer, Miss Maggie Sue Youree; Circle Chairman, Mrs. Tom B. Youree; Secretaries of Causes are; Spiritual Life, Miss Mae Caffy; Foreign Missions, Miss Kate Walkup; Assembly's Home Missions, Mrs. F. C. Youree; S. and P. Home Missions, Mrs. Tom B. Youree; Religious Education, Miss Pearl Youree; Christian Education and Ministerial Relief, Miss Mae Caffy; Pastor's Aid, Mrs. Ray Walkup; Christian Social Service, Mrs. Tom. B. Youree; Historian, Mrs. Tom B. Youree.

There being fourteen places to fill and only eight active members, there had to be some doubling and tripling in order to carry out the work of the auxiliary.

We meet twice a month, the first Thursday in the month as a circle and the third Thursday as an auxiliary. Though few in number we try to witness for Christ remembering that he said, "It is not by might nor by power, but by my spirit saith the Lord."

The Young People

There once was a Christian Endeavor in the Church. We don't have any records to show the years.

There being so few juniors and young people and more intermediates we grouped them into one organization in April 1939, using the pioneer literature with the following officers: President, Virginia Trott; Vice-president, Dorothy Fox; Secretary and Treasurer, Edna Falkner; Adult Advisor, Miss Pearl Youree.

The present officers are: President, Edna Falkner; Vice-president, Irene Smith; Secretary-Treasurer, Fred Walkup; Adult Advisor, Miss Pearl Youree.

Daughters of the Church who have married Ministers

Miss Sue Belle Youree, the daughter of William Hall and Jimmie Herrick Youree, was married to Rev. E. S. Brainard.

At that time Mr. Brainard was pastor of the Watertown group of churches remaining there two years. They then moved to Norwood, Louisiana and from there to Humbolt, Tennessee where Mrs. Brainard died following an operation in 1919.

After three years he was married to Miss Maud C. Youree, a half sister of the first Mrs. Brainard. They are now serving the church of Welsh, Louisiana. They have one daughter, Sara Evelyn.

In July, 1910, Miss Lizzie Youree, daughter of James Francis and Sallie Nelson Youree was married to the Rev. C. N. Ralston. He was engaged in Sunday School work in Columbia Presbytery at the time. He was superintendent of Purdy Missions School in Memphis Presbytery for several years, moving from there to Ripley, Miss. where he and Mrs. Ralston are ministering to five mission churches.

Miss Annie Youree, daughter of William Hall and Sallie Craig Youree married Rev. J. B. Butler in 1916. He was pastor of Bethel Springs group of churches in McNairy County. They later moved to Fausdale, Alabama, and are now living at Hobbs Island, Alabama. Mr. Butler has recently resigned because of loss of health.

Furnished by Christine Farrar

State of Tennessee
Wilson County Circuit Court October Term 1832

On this 25th day of October 1832 personably appeared in open court before the honorable James C. Mitchel Judge of said court now sitting Cornelius Sanders, a resident of Rutherford County State of Tennessee aged seventy years, who being first duly sworn according to law doth on his oath make the following declaration in order to obtain the benefit of the act of Congress passed June 7th 1832.

That he entered the service of the United States in January or February 1781 in a company commanded by Capt. Dred Philips as a volunteer for a term of three months. He cannot recollect the precise day he volunteered his services, he was attached to a Regiment of North Carolina militia commanded by Col. Thomas Herndon, Maj. Curlee was their major when he first joinded the army they march from Halifax in North Carolina to Hillsborough but before they got to Hillsborough Maj. Curlee for some cause left them and returned home and after that Col. Hunter? returned home and after that Col. Hunter? returned home owing to having his house burned, and then Capt. Dred Philips was elected Major in Curlees place and Axum Philips was elected Captain to Command the Company. General Thomas Eaton had the command of Brigade or division and marched the whole Force consisting as he thinks of about two thousand through Hillsborough and joind General Green's Army a few miles beyond Hillsborough, after our force united with General Greens army. The American Army under the

command of General Green recoinoitred and persued the British Army until the battle at Gilford in March 1780, he was in that battle and was in sight of Genl. Stephens at the time said General got his theigh broke and horse killed under him in that engagement, said Stephens was a General of the Virginia Militia. After the battle at Gilford he march with the American troops to Ramseys mills on deep river where he remained stationed with a part of the american troops until the experation of his three months tour when he was discharged by his Capt. Axum Philips which discharge he has lost.

A few weeks after he returned home there was a call for twelve months men his company was divided into classes consisting of twelve men and each class was to furnish one man to serve the twelve months tour. In casting lots in his class it fell upon him to serve the twelve months he march under the command of Maj. John Armstrong from Halifax, North Carolina with the other troops raised in the Halifax district composed of Edgecome and some other counties to the division under Genl. Green within four or five miles of Camden. They had not organized any companies until they joined General Green. The troops which marched from Halifax district were divided and alloted to different companies in Green's army to make them complete, they having been reduced by deaths and other causes, he was attached to a company commanded by Capt. Joshua Hadlay - Pinch Eaton was the Col. who commanded the Redgiment, Hogg, Dickson, Sharp and Armstrong commanded as Majors at different periods during the twelve months but at what periods they respectfully commanded he cannot undertake to speak distinctly at this distant time he recollects Maj. Hogg was most generally with them. After joining

Greens army we marched to a little town called Charlotte, and reconnoitered, about Charlotte and Camden sometime, and then marched to Ninety six and besieged the British garrison enfort at that place. He recollects the troops were employed in digging a trench towards the British fort. It was (rumored) the design was to blow up the fort during the seige. Col. Pinck Eaton was sent round with a small detachment with fifteen or eighteen men to a marsh or swamp near the British Fort to draw the attention of the British to that quarter, there were also three men sent to set fire to the British redoubts - Col. Pinck Eaton and all his men except three got killed in that service, he thinks the three men sent to set fire to the redoubt were killed also. After remaining at Ninety Six from three to five weeks the British were reinforced and General Green retired with the Force under his command. We march from point to point watching the motions of the enemy until the two armies met at Eutaw Springs where they had a severe engagement. This applicant was taken sick and was stationed at the house of one Spinks with eight or ten invalids in consequence of which he was not in that engagement. He remained at this place until his term or service expired and was there discharged as he thinks by Captain Joshua Hadley which he has lost. When he was discharged he had not recovered his health and was scarcely able to walk.

He was upwards of two hundred miles from home and was a month or more after he received his discharge before he arrieves? at home making a period of thirteen months or more he served this tour counting the time he left home until he returned which added to the former three months making sixteen months he was

in service of the United States. He cannot recollect the precise day he entered the service the last time but thinks it must be sometime in May 1781. He was employed as a drummer and was sometimes attached to Capt. Joshua Hadley's Company and sometimes to Capt. William Lytle's company.

In addition to the officers he has already named he also knew Captain Coleman, Capt. Armstrong, Capt. Hatcher, Col. Mabry, Col. Washington and Col. Lee of the light horse. He has seen General Marion but never was with him in service, he was also acquainted with Genl. Green the commander of the division, he cannot state the day he was discharged from either of the terms of his service. He further states he was born on the 30th March 1762 in Edgecome, North Carolina as he has been informed by his parents, he has a record of his birth in a book at home which was put down as he has always been informed by his Grandfather on his mothers side, Cornelius Jordan, a few hours after his birth. When he grew up he bought the book in which his birth was recorded at the sale of his Grand Father's property after his death and owns it yet. He lived in Edgecome County when he entered the service, before the close of the war, however, there was a new county established called Ash County, it included the place where he lived. He resided in said county until the year 1808, as well as he now recollects when he removed to Tennessee and settled near the line of Rutherford and Wilson counties but rather in the Rutherford side where he has remained ever since. He states his residence is somewhat nearer Lebanon than Murfreesborough and the clergyman that is best acquainted with him lived in Wilson whose affidavit accompanies this declaration and who could not go

with him conveniently to Murfreesborough is the reason he applies at this court.

He further states he is known by Rev. Joshua Woolen, Moses Woolen, John Curry, Augusta Edwards and Glower W. Banton, Esquire and a great many others in his neighborhood. All he believes would testify as to his character for veracity and their belief of his services as a soldier of the revolution. He further states that he has no documentary evidence and he know of no person living at this time whose testimony he can procure who can testify to his service. He hereby relenquished every claim whatever to a pension or annenty except the present and declares that his name is not on the pension roll of the agency of any state whatever.
